Nicole Domercq Zarr / Triangle Interiors

“The Houston Design Center has always offered a diverse selection of showrooms in a convenient door to door environment. I have picked stone for a new construction project at Alkasari, outdoor furniture at Leisure Collection, then plumbing fixtures at Fixtures and Fittings all within a few hours. In addition, most of the fabric and furniture lines that are represented by the various vendors at HDC have become staples with my company. Houston is lucky to have access to such a thriving and easily accessible design center.”
