LEADERS IN **DESIGN**
@ The Houston Design Center

Ken Kehoe / Ken Kehoe & Company

“Everyone knows I love the Houston Design Center. It is so easy to drive right up to the showrooms, where everyone is so nice and accommodating to the designer and the client's needs. It certainly is a pleasant place to shop.”

Contributing to interior design for over 20 years, Ken Kehoe has expanded his scope from client consultations to ground-up construction, a custom furniture line, and a new showroom. Inspired at heart by contemporary and antique French style, Ken's showroom esthetic and practical designs are classic yet casual, elegant yet comfortable, and something special you can use and enjoy every day.

Designing – whether pieces, or rooms, or entire homes – requires customization. Therefore the Ken Kehoe Signature Collection offer designers complete freedom in scale and finish to optimize utility in their plans while retaining comfort for their clients. All of these designs are classic yet casual, elegant yet comfortable something special that can be used and enjoyed every day.
