The Houston Design Center Welcomes Granduca Houston as its Official Hotel

The Houston Design Center is pleased to announce that the Hotel Granduca will be the official hotel for the Center in 2018. Located just minutes from the Center in the heart of Uptown Park near the Galleria, Hotel Granduca is reminiscent of a private Italian villa. The hotel features a collection of 122 rooms and suites designed to reflect the comfort of home with luxurious amenities combined with Italian accents. In-room amenities include balconies overlooking the property's pool and gardens, small sitting areas, full kitchens, walk-in closets, Acqua di Parma toiletries and flat screen HDTVs.

Since opening in 2006, Hotel Granduca Houston has set the standard for every guest's ultimate experience. Created by innovative developer Giorgio Borlenghi, Granduca Houston is the first jewel in the crown of the Granduca Hotels hospitality group.

Additional features within the hotel include the award-winning Ristorante Cavour, which highlights Northern Italian cuisine combined with seasonal offerings; Salone Rialto, a stunning private event space; a beautiful courtyard and pool oasis with adjacent fitness facilities, as well as four state-of-the-art conference rooms available for business or personal use.

A leader in luxury hotels, Granduca Houston has received a variety awards including Conde Nast Travelers Gold list, Conde Nast's Readers' Choice "Top 15 Hotels in Texas" and Forbes Four Star rating. Granduca Houston and its sister property, Granduca Austin, are the only hotels in Texas to receive **Leading Hotels of the World** designations.

Continuing Granduca Hotels' tradition of offering exceptional service, fabulous suites, splendid dining and luxurious amenities, Hotel Granduca Houston gives guests an unparalleled experience in a one-of-a-kind setting. Hotel Granduca is pleased to welcome out-of-town guests and design celebrities who will be attending a myriad of events at The Houston Design Center in 2018.
