Audrey Drought Audrey Drought Design, Inc.

As Principal of Audrey Drought Design, Inc., Audrey's main focus is to demonstrate the highest level of professionalism as well as provide exceptional client service. Both of these goals are achieved through excellent business practices and thorough collaboration with the myriad of parties involved. She places an emphasis on unique architectural details, proper scale, and timeless creative influences. She has long been recognized for her ability to incorporate the fundamental principles and elements of design into each project successfully.

As a registered and licensed Interior Designer, her areas of expertise range from new construction to remodeling in both residential and commercial spaces.
