

Audi **Central Houston** Presents
LEADERS IN DESIGN
@ The Houston Design Center

Gina Brown/Newberry Architecture, LLC

“ Our partners at The Houston Design Center understand that our firm roots itself in highly detailed and intentional architecture; they help us pull together those details and make every design decision count. The Houston Design Center’s showrooms offer us an incredible array of choices and partnerships that give our designs the touches that make them sing.”

Gina Brown Newberry Architecture, LLC

As a leading Principal at Newberry Architecture, Gina Brown is known for her progressive design approach and focused attention to detail. She masterfully integrates her clients' functional needs with a palate of diverse aesthetics, resulting in a portfolio rich in cultivated architecture and interiors. Since joining Newberry Architecture in 2006, Gina has become known for her team-driven solutions that seamlessly marry technicality and beauty to create timeless designs in architecture, interiors, and landscapes. Working with an array of clients throughout the United States and abroad, she has established a reputation as a designer who provides a high level of ease and enjoyment for her clients during the design process and throughout construction.

Gina's work has been featured in Architectural Digest, Segreto Vignettes and Segreto Style. She was the Co-Founder and President of The Marshall Brown Foundation, a non-profit that provided assistance to families suffering the loss of a child and she continues to be an advocate for success in foster care and adoption. She balances her professional passions with a loving devotion to her family of five, trips to the beach and creating culinary masterpieces.
