

Audi Central Houston Presents
LEADERS IN DESIGN
@ The Houston Design Center

Linda Eyles/Linda Eyles Design, Inc.

“ Our industry is so fortunate to have the Houston Design Center! It is a professional and collaborative environment in which I can find all of the resources I need to complete my projects.

I know I can rely on the experienced HDC showroom staff to provide me with the service and quality I have come to expect from them. ”

Linda Eyles Linda Eyles Design, Inc.

With over 20 years of experience in the professional design industry, Linda Eyles Design has become the celebrated choice for the cultural sophisticate. Specializing in residential interiors with significant experience in commercial design, Linda Eyles Design projects span across the United States from sprawling Colorado vacation homes to urban high-rise offices.

Linda graduated from the University of Saint Thomas before going on to earn a BA in Interior Design from the Art Institute of Houston. Her work has been featured on several home tours, in show houses, as well as in a variety of publications. She is an Allied Member of the American Society of Interior Designers (ASID) and very involved in Houston's fine arts community.

At Linda Eyles Design, they believe the client's space should not only be a reflection of the client's taste but also their lifestyle. Whatever the aesthetic—contemporary, traditional or transitional—the focus is on personal vision developed through the client/designer relationship that offers an environment that is always modern, elegant and fresh. And always the client's own.
