Chase Dowell/Chase Dowell Interior Design

“ I have always been in awe of the Houston Design Center. Before my business even started to see growth, the Houston Design Center is where I went for inspiration to fuel my passion and dreams. Now, it is one of my most used resources for unique finds, beautiful textiles, and furnishings.

It's a creative's paradise.”

Chase Dowell Chase Dowell Interior Design

Chase Dowell is an award-winning designer whose designs are influenced by his love for clean lines and bold expressions. Chase founded Chase Dowell Interior Design with a desire to translate his clients' life's vision and passion into their homes with designs that are crisp, cutting-edge, and classic. With much attention to detail and a personable client experience, Chase's approach to each project is one that allows the beauty of interiors to unfold naturally.
#BeTheBeauty

Chase believes that the perfect home is one that is balanced with both a luxury and livable experience. He accomplishes this balance by sourcing intentional furnishings, accessories, art, and textiles that harmoniously tell a story while appreciating the age-old form follows function.
