LEADERS IN DESIGN

@ the Houston Design Center

Nina Magon/Contour Interior Design

“The Houston Design Center has compiled a fabulous group of vendors together which has become a one stop shop for luxury designers like myself.

We are so proud to have this type of facility in our city to assist designers with product knowledge in a comfortable setting.”

Nina Magon Contour Interior Design

Contour Interior Design is an international, multi-award winning, interior design firm with headquarters in Houston, Texas, specializing in high-end residential, commercial and hospitality design. Established in 2008 by Principal Designer, Nina Magon, Contour Interior Design's commitment to creating exceptionally high-level modern design has positioned the company as one of the nation's top interior design firms.

As Creative Director of Contour Interior Design with locations in Houston, TX and Miami, FL, Nina seeks to first create a vision and then execute it for each client, designing one-of-a-kind environments, each tailored to the client's unique taste, with an emphasis on skillfully executed, flawless detail. Contour is lauded in its industry for its integration of design innovation, construction expertise, and business acumen. Her lavish residential, commercial and hospitality interiors have won her national acclaim as she has been recognized as one of the top designers in the country by Hospitality Design Magazine, Interior Design Magazine, HGTV, NBC, BRAVO TV, House Beautiful, Elle Decor and the Robb Report to name a few.

Nina also sits on the Board of Designers for Zillow and speaks on design subjects at industry events around the country.
