# LEADERS IN DESIGN

@ the Houston Design Center

Saima Seyar / Elima Designs

*“The Houston Design Center has been a key part of achieving my designs for my clients. The extensive choice of showrooms and programs provided have helped me throughout my career.*

*Having access to showrooms like Mirabella Doors, Scene One, The Houston Showroom, Thorntree, Fabric House, Charlotte Nail, Kitchen & Bath Concepts, and ASID makes The Houston Design Center a one stop shop resource for my design needs.”*

# Saima Seyar Elima Designs

*Saima Seyar is the principal designer and owner of Elima Designs and the current 2018-2019 ASID TXGC President. Holding a Bachelors of Art in Interior Design and a minor in Architecture from the University of Houston, Saima has been practicing in Houston since 1998. Elima Designs has projects throughout the US, UK, Middle East, China, India, Dubai, and Pakistan. Saima has won numerous awards through ASID, other organizations, and publications. She is actively involved in many charities locally, nationally, and internationally both professionally and personally.*

*Saima has a passion for unique and tasteful design influenced from her extensive travels. Her ability to understand clients' needs and design aesthetics allows each project to have its own unique flair. Her ability to think outside the box has brought her an extensive client base.*
