Retrospect

This annual event organized by the Dallas chapter of the American Institute of Architects is designed to promote architecture to the community. Through 3-D displays created by Dallas-area architects and exhibited at NorthPark Center, the participating architecture teams step outside of their daily work routines to show off their imaginations and share industry trends with the Dallas public. 8687 N. Product Runway

For the eighth year in a row, IIDA Houston City Center presents its popular Product Runway fashion show benefiting the Houston Furniture Bank. The competition, which takes place at Revention Music Center, tasks teams of interior design and architecture professionals with creating a garment out of finish materials such as glass, tile, wood and carpet. This year's theme, Avant Art, means each team has been assigned a specific art movement to inspire its garment design. 8PM.
