Stephanie Vaughan/Design + Dwell Interiors

is my favorite resource for professional and personal service from the many beautiful showrooms and the amazing people who represent them. Whether it's tile and stone selections for new construction or decorative rugs for finished interiors, I know my clients will feel cared for and impressed with the quality of service we both receive.

Stephanie Vaughan Design + Dwell Interiors

As a contributing member of the Houston Local Art Scene for 20+ years, the conception of Design + Dwell Interiors has been cultivating and blooming since 2009 when I began my formal journey into the design industry.

Vast life experiences include living on the high seas for 4 years where I sailed the Bahamas and the Caribbean, designing island homes and unique hospitality businesses, and designing and remodeling homes in Houston, TX. A BFA in Interior Design from The Art Institute of Houston in 2013 allowed my passion for interior architectural details to blend with an artist's creative spirit manifesting a unique yet comprehensive view of possibility for clients.

In 2016 I was honored to be awarded the ASID Ruby Award for Emerging Professionals in Residential Design.
