# LEADERS IN DESIGN

@ the Houston Design Center

Gail Taylor/Taylor & Taylor Designs

“The Houston Design Center offers a vast variety of resources to Taylor & Taylor Designs and other designers for streamlining the decorating process. With a large number of unique showrooms including carpet, fabric, stone, lighting, and furnishings the Houston Design Center is a great place for designers to meet their clients to put their ideas together. With many of the showrooms now open on Saturday, it makes the center more valuable to designers as well as the public.”
