ITALIAN LOVE x 2

Two storied Italian brands will juice up your kitchen when Smeg rolls out its latest collaboration with **Dolce & Gabbana** this spring. The fashion-meets-home-appliance endeavor debuted with fanfare at the 2017 Milan furniture fair. Themed "Sicily Is My Love," the toasters, juicers, and tea kettles wink at traditional folklore from the Italian island, with lush depictions of lemons, cherries, and prickly pears, united through abstractions of Mount Etna, ornamental friezes, stylized acanthus leaves, and crocchi triangular motifs. Yearning for a matching hand-painted refrigerator? Acquire one that

does double duty as a sculpture for your cucina (with a price tag of \$50,000). *Dolce & Gabbana x Smeg Sicily Is My Love*, neimanmarcus.com, williams-sonoma.com. Refrigerator only at neimanmarcus.com. Catherine D. Anson

Dolce & Gabbana x Smeg toaster, tea kettle, and juicer, \$600 each.
